# GUIDELINES

## 1. OBJECTIVE:

The objective of this hackathon is to foster creativity and innovation among students. Participants are encouraged to think creatively and provide solutions for any one of the real-world problems within the following themes:

- Smart Automation
- Health Tech
- Smart Education
- Blockchain
- Agriculture, Food Tech, & Rural Development
- Climate Change
- Social Impact
- Open Innovation

## 2. HACKATHON DATE, DURATION AND REGISTRATION:

- The hackathon will take place between 10th and 11th Nov 2023.
- The event will run continuously from 5.00 pm on the 10th to 5.00 pm on the 11th.
- The registration fee is **Rs 350/- per head** (Includes dinner, breakfast and lunch)

## 3. PRIZES:

- First prize - **Rs 5000/-**
- Second Prize - **Rs 3000/-**
- Third prize - **Rs 2000/-**

## 4. ELIGIBILITY AND TEAM FORMATION:

- This is an intra-college hackathon.
- Teams can be interdisciplinary, comprising students from different branches.
- Each team should consist of 4 members.
- Consent from the participant's parent / Guardian is compulsory for entrance to the venue during the event

## 5. IDEA SUBMISSION:

- The first round is the idea submission phase - Teams must submit a problem statement along with an abstract of the proposed solution based on the themes provided.
- Idea submission deadline: 31st Oct 2023.

## 6. SHORTLISTING:

- Submitted ideas will be reviewed, and teams will be shortlisted based on their merit.
- Shortlisted teams will be eligible to participate in the hackathon.
- The registration fee of ₹350 per member must be paid only after a team is shortlisted.
- No refunds will be made after registration.

## 7. MENTORING:

- Mentors will be available during the hackathon to assist and guide teams.

## 8. CODE OF CONDUCT:

- Participants are expected to conduct themselves in a respectful and ethical manner.
- Cheating, plagiarism, and unethical behaviour are strictly prohibited.

## 9. DISCLAIMER:

By participating in Hackernal 2.0, you acknowledge and agree to the following:

- The organizers reserve the right to make changes to the event schedule, rules, and other aspects of the hackathon if necessary, and participants will be duly informed of any such changes.
- While the organizers will take all reasonable measures to ensure a safe and secure environment for the hackathon, participants are responsible for their own safety and well-being during the event.
- No participant will be allowed to leave the premises of the college once we mark the start of the event, till the end.
- The organizers are not liable for any loss or damage to personal property or for any injury or harm incurred during the hackathon.
- All submitted ideas, projects, and solutions remain the intellectual property of the respective teams and participants.
- The organizers may use photographs, videos, and other media captured during the event for promotional and documentation purposes.

## 10. ACKNOWLEDGMENT AND AGREEMENT:

By registering for and participating in Hackernel 2.0, you acknowledge and agree to the following terms and conditions:

- I acknowledge that I have read, understood, and agreed to abide by the hackathon guidelines and rules set forth by the organizers.
- I understand that my participation in this hackathon is voluntary and that I am responsible for my own actions and decisions during the event.
- I agree to conduct myself in a respectful and ethical manner throughout the hackathon and to adhere to all applicable laws and regulations.
- I understand that cheating, plagiarism, harassment, or any other unethical behavior will result in disqualification and potential further consequences as determined by the organizers.
- I agree to the use of photographs, videos, and other media captured during the event for promotional and documentation purposes.
- I acknowledge that the organizers have the right to disqualify me or my team if we fail to comply with the guidelines and rules of the hackathon.
- I acknowledge that the organizers are not liable for any loss or damage to personal property or for any injury or harm incurred during the hackathon.
- I understand that my submission in the idea submission phase and participation in the hackathon does not transfer any rights to the organizers regarding the intellectual property of my project.

By registering and participating in the hackathon, you confirm your acknowledgment and agreement to these terms and conditions. Failure to comply with these terms may result in disqualification and other consequences as determined by the organizer

Any Doubts..?
